Comments regarding this year's internship application/match

- “Overall a very stressful process especially for P2.”
- “The new system with weekly notifications doesn't seem to be working well and I have heard mainly negative feedbacks from friends regarding the new system.”
- “It was a miracle.”
- “Concern about being unemployed next year. It feels like it is getting more and more difficult to get a job this year.”
- “The non-transparency of the matching system is of big concerns.”
