INTERN APPLICATION GUIDE

For 2019 applications for intern positions
in Western Australia in 2020

Must Read

Register for an account on MedJobsWA to apply

WA APPLICATION INSTRUCTIONS: (upload documents via MedJobsWA)

- 1. Statement addressing selection criteria** (up to 500 words each for criteria 2, 3 and 4).
- 2. Curriculum Vitae/resume** (maximum of three single-sided A4 pages).
- 3. Cover letter** ***(optional – maximum of one single-sided A4 page)***
- 4. Evidence of citizenship/residency status** (e.g. passport, birth certificate or citizenship certificate).
- 5. Current or most recent visa** (if applicable).
- 6. Recent academic transcript** of medical degree.
- 7. Verification of year 12 completion in WA** (if applicable - applies to Australian citizens or permanent residents or New Zealand citizens who completed year 12 in WA and are graduating from a non-WA medical school).
- 8. Copy of IELTS, OET, PTE Academic, TOEFL iBT, NZREX or PLAB** examination results or other accepted evidence as specified by the Medical Board's English language skills registration standard
- 9. Two Clinical Referees (part of online application) – they will be contacted by MedJobsWA to complete an electronic referee report**

Tips for addressing selection criteria:

1. Keep it **brief, clear and concise** – this is a way of demonstrating your communication skills.
2. Be **relevant and factual and use recent examples**. Utilise different examples in your responses and never write 'see response above'.
3. **Be positive; sell yourself and your skills**. Make the panel want to work with you.
4. **Use the selection criteria as headings**. Do not combine the selection criteria as it makes it difficult for the panel to find your response.
5. Utilise the statement of duties and pull the words from the 'duties' page in the JDF to incorporate in your answers.
6. **Avoid the use of negative vocabulary, jargon and abbreviations**.
7. Do not sign and submit the JDF as your response to the selection criteria – a detailed statement for each criterion is required to sell your skills and present your case for why you will be successful in this role.
8. Consider using a response model when addressing the selection criteria:
 - **STAR – Situation, Task, Action, Result:**
 - Situation – give the background and set the scene. Describe a specific event or situation and provide enough detail for the interviewer to understand.
 - Task – describe the task, project or objective you had to complete, outlining your responsibility in that situation.
 - Action – describe the actions you took. Be sure to keep the focus on you, even if you are discussing a group project or effort.
 - Result – describe the positive outcome – what happened, what you accomplished, what you learned.

WA hospitals/Health Services

| Employing health service | Metropolitan placement health services | Rural placement health services |
|--|--|---|
| Fiona Stanley Fremantle Hospitals Group | <ul style="list-style-type: none"> • Fiona Stanley Hospital • Fremantle Hospital • Rockingham General Hospital | <ul style="list-style-type: none"> • Albany Health Campus • Broome Regional Hospital |

Internship in Rural WA – 2 Options

1. WA Rural hospital internship

Select WACHS as your primary employer

Provide a brief statement indicating why they are interested in completing a rural internship (maximum 350 words).

Rank their preferred rural sites from most to least preferred.

Please note, if you are not selected for a WACHS internship your application will be forwarded to your second preference PEHS in the initial selection round for consideration at the same time as other candidates.

2. Metropolitan Hospital internship with Rural rotations

Select a metropolitan PEHS (Fiona Stanley, Royal Perth or Sir Charles Gairdner Hospital) as your primary employer in your intern application and indicate a preference for one or more rural rotation/s.

Applicants wishing to complete their internship at a metropolitan PEHS and undertake some rural rotations are required to:

1. Indicate their preference for one or more rural rotation/s
2. Rank their preferred rural sites from most to least preferred
3. Provide a brief statement indicating why they are interested in doing one or more rural rotations (maximum 350 words).

New South Wales

NSW Priority List

| Priority | Definition |
|----------|--|
| 1 | Medical graduates of NSW universities who are Australian/New Zealand citizens or Australian permanent residents (Commonwealth Supported Place and Domestic Full Fee paying). This priority category is guaranteed an intern position in NSW. |
| 2 | Medical graduates of interstate or New Zealand universities who completed Year 12 studies in NSW who are Australian/New Zealand citizens or Australian permanent residents (Commonwealth Supported Place, Domestic Full Fee paying or NZ equivalent). |
| 3 | Medical graduates of interstate or New Zealand universities who completed Year 12 studies outside of NSW who are Australian/New Zealand citizens or Australian permanent residents (Commonwealth Supported Place, Domestic Full Fee paying or NZ equivalent). |
| 4 | Medical graduates of NSW universities who are not Australian/New Zealand citizens or Australian permanent residents and who hold a visa that allows them to work or are able to obtain a visa to work. |
| 5 | Medical graduates of interstate or New Zealand universities who are not Australian/New Zealand citizens or Australian permanent residents and who hold a visa that allows them to work or are able to obtain a visa to work in Australia. |
| 6 | Medical graduates of Australian Medical Council accredited universities with campuses that are located outside of Australia or New Zealand who are not Australian/New Zealand citizens or Australian permanent residents and who hold a visa that allows them to work or are able to obtain a visa to work in Australia. |

Interstate
Internationals

NSW Intern Application Pathways

- Go to <https://www.heti.nsw.gov.au/education-and-training/courses-and-programs/medical-graduate-recruitment>
- Read the Application User Guide!

Applications are completed online via the **Prevocational Training Application Program (PTAP)**. There are **four pathways** available for medical graduates.

1. **Optimised Allocation** – ballot based – all categories eligible
2. **Direct Regional Allocation** – only categories 1-4 eligible
3. **Rural Preferential Recruitment** – merit based (also involves Interviews and direct application to hospitals), all categories eligible
4. **Aboriginal Medical Workforce**

REGISTRATION PROCESS

To register on PTAP go to <https://ptapplications.heti.nsw.gov.au/login>

Apply via PTAP application

Click to apply for internship

Once you have clicked on the 'Apply via PTAP application' you will be directed to the screen below. In order to proceed with your registration you must read and accept the "terms and conditions". You will then be directed to the "register" button.

The screenshot shows the PTAP registration page. At the top, there are logos for NSW Government and HETI Health Education & Training, followed by the text 'Prevocational Training Application Program PTAP'. Below this is a navigation bar with 'Existing Members' and 'New Members' sections. The 'Existing Members' section has a list of actions: 'Update your application', 'Edit your details', 'Withdraw your application', and 'Accept or decline your position'. There are input fields for 'Username*' and 'Password*', a 'Log In' button, and links for 'Forgotten password' and 'Change password'. The 'New Members' section contains a heading 'TERMS AND CONDITIONS OF REGISTRATION AND APPLYING FOR A PREVOCATIONAL TRAINING POSITION IN PTAP', a 'Specific warnings' section, and a paragraph stating 'By clicking the Accept button you confirm you are accepting the terms and conditions above.' There are 'Accept' and 'Do Not Accept' buttons, and a 'Register' button with a question mark icon. A 'Privacy Policy' link is at the bottom right.

Callouts on the page:

- Login back here with your user name and
- Click here to 'change your password' or if you have 'forgotten your password'
- Read and accept 'terms and conditions'
- Click on 'Register'

Preference Selection

| | | | | | | | | |
|-----------------------|--------------------------------|---------------------|----------------------------------|--------------------------------|-------------------------|-------------------------|-------------------|------------------|
| Step 1 Eligibility | Step 2 Personal Information | Step 3 Education | Step 4 Additional Information | Step 5 Preference Selection | Step 6 Questionnaire | Step 7 Documentation | Step 8 Payment | Step 9 Review |
|-----------------------|--------------------------------|---------------------|----------------------------------|--------------------------------|-------------------------|-------------------------|-------------------|------------------|

* There are additional general practice and or community facilities accredited in this network. Complete information about the facilities within a prevocational training network is on the HETI website.

Prevocational Training Network Preference Selection

Drop and drag your preferences for Prevocational Training Network into "My Preferences" list. Please rank your preferences with your first choice being ranked as preference 1, second as 2 and least preferred ranked last.

If you are using Internet Explorer and you cannot use the drag and drop function, please go to your "Tools" menu and select compatibility mode for this page only.

For a complete list of the facilities in each network, please visit the HETI website.

An incomplete list of preferences will not be processed.

Follow this if you have issues with drag & drop

The screenshot shows two side-by-side panels. The left panel is titled 'Selection List' and contains a table of hospital networks. The right panel is titled 'My Preferences' and shows a list of selected networks with a ranking from 1 to 6.

| Selection List | My Preferences |
|--|---|
| Balmain Hospital, Dubbo Base Hospital and Royal Prince Alfred Hospital* Network 1 | Oesford District Hospital and Wyrong Hospital* Network 7 |
| Greenwich Hospital, Kamookai District Hospital, Port Macquarie Base Hospital, Royal North Shore Hospital and Ryde District Hospital* Network 5 | Albury Wodonga Health, Calvary Healthcare Sydney, Griffith Base Hospital, St George Hospital and Sutherland Hospital* Network 8 |
| Bankstown Lidcombe Hospital, Bernal & District Hospital (POY2 only), and Camden and Campbelltown Hospitals* Network 2 | |
| Hornby Hospital, Manly Hospital and Mona Vale Hospital* Network 6 | |
| Fairfield Hospital, Liverpool Hospital and The Tweed Hospital* Network 4 | |
| Lismore Base Hospital and The Prince of Wales Hospital* Network 9 | |

Callouts on the 'My Preferences' panel:

- Drag and drop preferences here

All 15 prevocational training networks must be ranked in order of preference to proceed with your application. To see a complete list of hospitals in each network, click on [NETWORK AND ACCREDITED FACILITIES](#).

Supporting Documentation for NSW

SUPPORTING DOCUMENT CHECKLIST

University Completion Letter

Certified copy of a letter from the graduating university. The letter must include all of the following information:

- Medical school campus where degree was undertaken
- Applicant's Medical Internship Placement Number (MIPN)
- Applicant's commencement date and expected date of completion of medical degree.

High School Certificate (if you are a Category 2 applicant)

Certified copy of NSW secondary school leaving qualification (not a statement of results) issued by the education department e.g. diploma, certificate, Baccalaureate.

Please note:

- Applicants who have graduated in a previous year will provide a certified copy of their medical degree.
- Applicants studying medicine in New Zealand do not require an MIPN number on their university completion letter.

Evidence of Australian/NZ Citizenship or Australian Permanent Residence

Certified copy of **ONE** of the following documents:

- Australian Citizenship Certificate
- Australian Passport
- Australian Permanent Resident Visa
- New Zealand Citizenship Certificate
- New Zealand Passport

Please note:

Australian Citizens who do not have an Australian Citizenship Certificate or Australian Passport can prove their citizenship by providing a certified copy of: Australian full birth certificate (if born on or before 19 August 1986), OR Australian full birth certificate (if born on or after 20 August 1986) together with proof that at least one parent was either an Australian Citizen or Australian Permanent Resident at time of birth.

GETTING YOUR DOCUMENTS CERTIFIED

Copies of **ALL** supporting documentation uploaded to PTAP must be certified by an appropriate official as listed below within the last 12 months and submitted with the application by the closing date. Applications with missing documentation cannot be submitted.

Please note:

Names on applicants' all supporting documents must be consistent. Any variation to names must be supported by a change of name certificate.

Supporting documentation must only be certified by the following officials:

- Documents from within Australia will be certified by a Justice of Peace. Certification of a true copy of an original document by a Justice of Peace (JP) must include full name of the JP, JP registration number, date and signature.

Need a JP to certify your documents!

For Uni completion letter -> Order an Evidence of Enrolment via Ecommerce and add special instructions

Rural Preferential Recruitment (RPR)

To apply for an RPR position you must:

1. Complete an **online application** via the **HETI website** in the Prevocational Training Application Program (PTAP).
2. Complete a **separate application** for each rural hospital through **NSW JMO eRecruit** by the closing date.
3. Preference hospitals directly into their JMO eRecruit application and PTAP application by the closing date.

Offers are made based on the outcome of the preference matching process.

No referees required for NSW

Many RPR Hospitals conduct Interviews

| 2019 Interview Dates | Facilities holding interviews |

Welcome to eRecruit

Ability to work effectively in a healthcare environment.

A commitment to working in the Northern Territory health services to promote, protect, maintain and restore the health of the people of Northern Territory.

A commitment to continued education, training and learning excellence.

GENERAL ADVICE

- ❖ Check step-by-step user manual on each website
- ❖ English language results (AHPRA)
<https://www.ahpra.gov.au/registration/registration-standards/english-language-skills.aspx>
- ❖ Effort & time spent doing the applications
 - Victoria = most time consuming application
 - ACT and WA = 2nd most time consuming due to “selection criteria” responses
 - SA = requires EPAS online module training
 - QLD = requires some written responses: (i) Why QLD? Which hospital? (ii) Career-related experiences sought in Internship?
 - NSW = quickest application but must have JP certified documents and Uni Letter
- ❖ Start early and apply broadly. It’s all about time management!
- ❖ Use the AMSA internship guide
<https://www.amsa.org.au/sites/amsa.org.au/files/Internship%20Guide%202018%20Rev3.pdf>

Thanks and Goodluck!
